Video Description:

Victoria County Sheriff's Office Conducts Armed Raid on Private Property Without Consent

On June 10, 2025, the Victoria County Sheriff's Office (VCSO) allegedly invaded private property in Victoria, TX without consent. Approximately five unmarked vehicles deployed armed personnel in tactical gear, reportedly trespassing on my front yard to stage a high-force raid on a neighbor's property. This footage appears to document a blatant disregard for Fourth Amendment rights and private property sanctity. Despite lacking consent, VCSO officers allegedly entered private land, raising serious concerns about police misconduct, excessive force, due process, and law enforcement ethics in Victoria County. We demand immediate investigation and full accountability.
